

Jack Orange

All-round redefined

Bio

DJ Jack Orange, a veteran artist with over two decades of experience, hails from Amsterdam and has graced stages across the globe, from Asia to LA. His unique, versatile music style reflects an incredible variety, seamlessly blending tracks from various genres and eras.

Jack's passion for music goes beyond just making people dance; he aims to use his music to evoke emotions and make his audience feel better, starting from the dinner hours and transitioning through a diverse range of genres, from lounge, bossa nova, Rap, and R&B to disco, funk, jazz, and groovy house, and even venturing into techno or moombahton.

He is known for his ability to tailor his sets to the unique vibe of each gig, whether it's an intimate private event, an international festival such, or a renowned club. Jack is also open to tours and has a presence on YouTube and Instagram, where he keeps his fans updated on his latest news and events.
